Mr. Matari:

I'm in receipt of your recent e-mail, wherein you requested additional time to resolve issues related to your request for re-instatement of Flatel's authority. This request also needs to be sent to the Commission. Jocelyn Boyd manages the Commission's docketing department and pleadings. I would recommend that you send the e-mail to Ms. Boyd. Her e-mail address is [jocelyn.boyd@psc.sc.gov](mailto:jocelyn.boyd@psc.sc.gov).

RE: Commission Order No. 2006-778.

I appreciate everyone's efforts in working with us to reinstate our Certificate of Authority in the State of South Carolina. We have worked to extremes to become compliant and our efforts have proved to be successful. I have attached for your review a receipt from the South Carolina Department of Revenue paying any and all moneys due the State. Mrs. Adriana Solar has provided Mr. McDaniel the 2004 information and we are now awaiting the Certificate of Tax Compliance to send to the Commission.

We are requesting another 10-day extension, which should be sufficient to have everything completed. Our efforts are only as good as the efforts put forth by those assisting us. Although our work is completed, we have made numerous attempts to speed this process. Our correspondence to Mr. McDaniel was an attempt on our part to report to the Commission of our status. We were not aware that Mr. McDaniel was not relaying the message and advising the Commission.

If you have any questions or concerns regarding this email, please contact our office at the information provided below.

Best regards,
